

RE: **GlassCraft Door Company Introduces NEW FiberCraft™ Composite Entry Doors**

-----  
GlassCraft Door Company introduces a variety of new designs for its FiberCraft™ Premium Composite Door product line, including never-before-offered composite doors in the market, such as plank arch top double doors and true flush glazed contemporary doors built without raised molding for the sleekest modern look. FiberCraft's new exciting product line enhancements also include 42" door width options, round top single and double doors in 36" and 32" widths, added glass texture options for wrought iron, GBG and divided lite door collections, added designs and internal muntin bars for the Divided Lite Collection, new finish options in both Estate and Artisan Collection, new impact door options featuring DP50 or higher ratings, and all new plank door options and Contemporary Door Collection.

GlassCraft's FiberCraft premium composite doors are available in solid and plank designs, decorative glass, wrought iron, GBG or grille-between-glass, craftsman, divided lites, contemporary, and privacy & clear design options. FiberCraft doors may be ordered with Estate and Artisan finish, made with GlassCraft's DuraFinish™ finishing process, that has been awarded most sustainable innovation in the 2014 Texas Environmental Excellence Award for both its environmental contributions and its exemplary product quality.
