
RE: GlassCraft Door Company Supports Home Aid Houston

GlassCraft Door Company reaches out to the Houston community by helping build transitional housing for Houston's homeless men, women and children through GHBA's Home Aid Houston. Since its inception in 1989, Home Aid has built more than 80,000 temporary homes for the homeless with the mission to build dignified housing where homeless families and individuals can rebuild their lives.

As a corporate partner and sponsor of Home Aid Houston, GlassCraft Door Company is participating in several major new construction projects being considered for 2012 and beyond, including four duplex unites for homeless women, a 20-bedroom shelter for women exiting the criminal justice system and and four four Home Aid Care projects.

GlassCraft Door Company is committed to making a difference in the community as it create better products, job opportunities and sustainable growth.
