<p>Manufacturer stipulates that these ratings conform to applicable NFRC procedures for determining whole product performance. NFRC ratings are determined for a fixed set of environmental conditions and a specific product size. NFRC does not recommend any product and does not warranty the suitability of any product for any specific use. Consult manufacturer's literature for other product performance information.</p> <p>* #glazing layers / spacer type / low-e emissivity (surface) / gap fill / gap width (na=not applicable) **per NFRC 100 † square inches www.nfrc.org</p>
